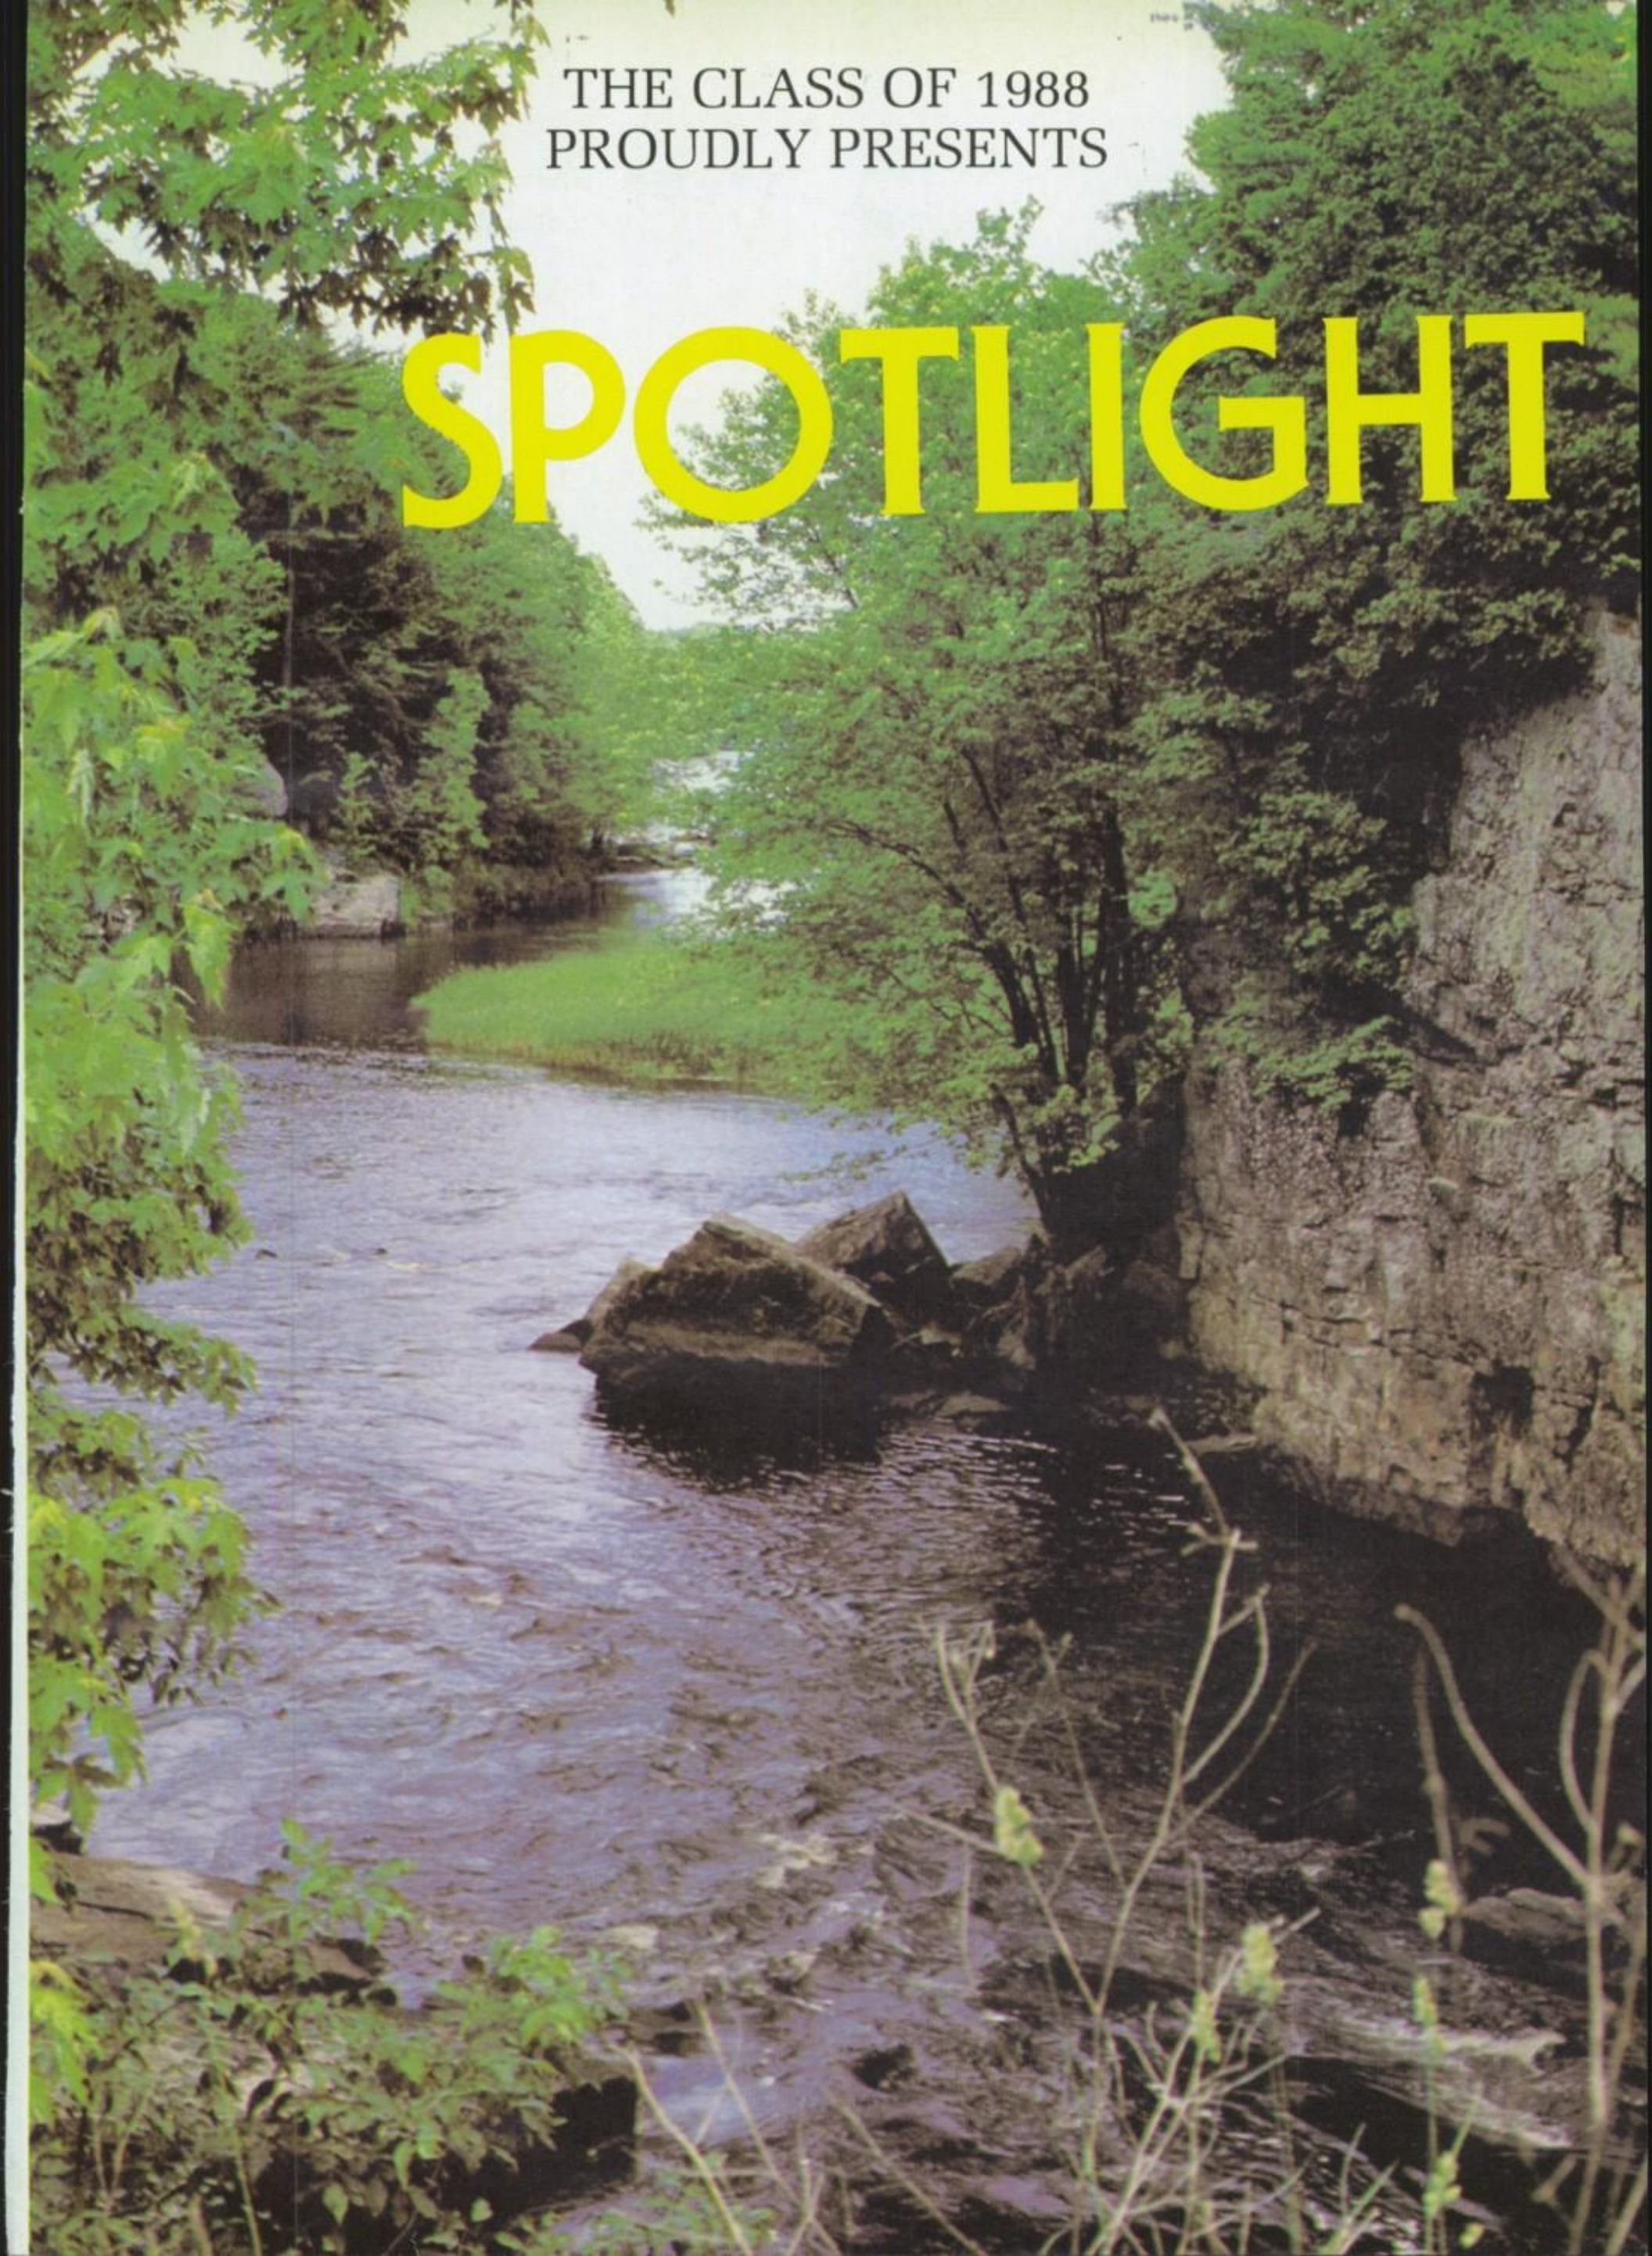
SPOTLIGHT



The Class of '88 proudly dedicate our Yearbook to

Mrs. Shirley Gordon

It is with admiration and respect that we, the Class of 1988, fondly dedicate the "Spotlight" to Shirley Gordon who was the school nurse for the past 20 years. During this time she served the school and community with dedication and professionalism. She arranged Red Cross bloodmobiles, attended CPR classes and took courses to upgrade her nursing skills. We wish you good health and happiness in your retirement years.

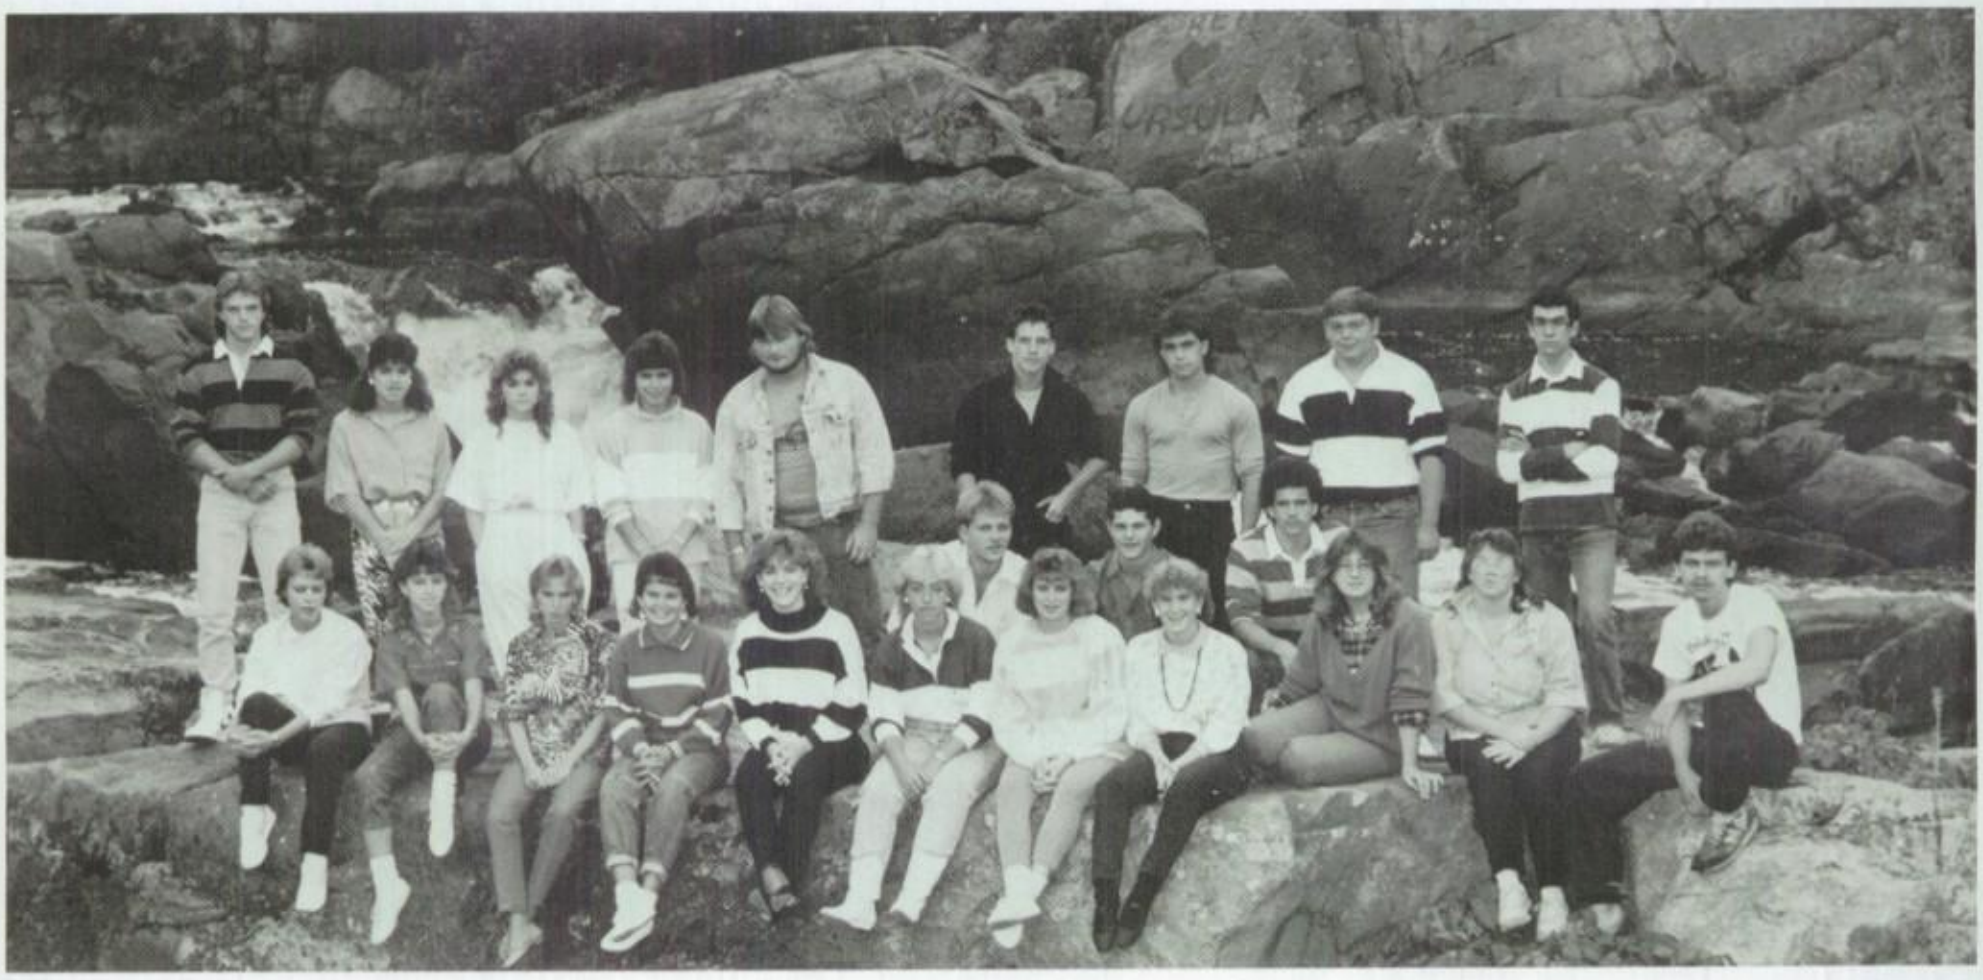
Epilogue
Our Way of Saying Good-bye



The time has come to leave the past behind —
to move on to new things.
Go run! Run away! Run fast and free.
Don't stop to look back, because one glance may
hold you back forever . . .
But if you must look back —
Don't distort the past.
Don't deny what was.
Don't be afraid to admit that even though you had good times —
Many times were bad.
Growing up was bittersweet . . .
And now, now you must move on.
Go run fast and run free
The path you run may be rough —
And you may have to run it alone —
But that won't matter, because you'll know —
It was the path
You choose to run . . .
Perhaps these tomorrows will become —
The Best Years of Our Lives.

The construction of the new gymnasium/stage area and renovation of the old gymnasium into new classrooms, offices and library was completed this school year. These areas will certainly enhance the educational capabilities of Hammond Central School and give students the ability to enjoy more fully a positive educational climate. The residents of the school district should be commended for their support of such an undertaking, and will see very positive outcomes in the future.
